

“I cannot express how thankful I am that I found Elan Artists to play at my wedding on June 23. It was just as I had imagined. Although I did not hear the Prelude, I was able to listen to it on the videotape. The music was so beautiful that it brought tears to my eyes. I have relatives that are professional musicians and they were amazed at the quality of your performance.” – Becky Cordero

“My guests are still talking about how wonderful everyone was from the soloist in the church (who blew everyone away!) to the Celtic group (which added such humor and warmth to the cocktail hour) to Jump Street (who basically ‘let a party breakout’).” – Jordan Baker

Our musicians are truly “musicians’ musicians.” This means they love their art, insist on its refinement and live to share it with others. We believe that music weaves a thread that creates atmosphere, drives the flow of emotions, facilitates ties to tradition, loosens us up and brings us together.

All of our musicians understand the importance of these values. Coming from the finest orchestras and chamber ensembles as well as the area’s most experienced jazz combos and dance bands, they are elegant and energetic.

You deserve refined, festive, and totally unique entertainment. From classical to celtic, salsa to swing and more, we insist on and provide great performances at affordable rates!

what they say...

É L A N A R T I S T S

"I just wanted you to know how important it was to our enjoyment of our daughters Morgan's wedding that we could rely on your company to provide beautiful, appropriate music at the ceremony. The cellist was wonderful. Your company was the only one we dealt with among the florists, caterers, bus company, etc., that didn't have a last-minute emergency that we had to deal with. We would be happy to give your company an enthusiastic recommendation at any point in the future"

- Charles & Kathleen Freeble

"Now that I have settled back into regular life after the wedding and honeymoon, I want to let you know how much my husband and I and our entire families appreciate the music that Elan Artists provided for our wedding on 5/29/04. Lars Helger's classical guitar renditions of our selections for the ceremony were exactly what he had hoped for, and his music during the cocktail hour was the perfect accompaniment to the beautiful weather we were blessed with that day. It was a memorable and superb performance."

"I want to thank you for all of your help in planning this day. You were so well organized and experienced that I could rest easy - the music was one detail that I didn't have to worry about"

- Sylvia Weedman Augusteijn

"Thank you for an amazing experience - before, during, and after the event. Elan Artists crafted a perfect performance, which contributed to a dream-like wedding day for both my husband and I and all our guests"

- Dawn Winters-Holt

"I can't even begin to express how wonderful the music was for our wedding at the Historic Oakland Manor! The ceremony soloist was wonderful and provided the perfect background for our outdoor wedding"

- Karin & Tom Provost

"I just wanted to thank you for your help in assembling the phenomenal group of musicians for my wedding. The ceremony trio sounded great, and they were flexible enough to keep playing when the start of the ceremony was unexpectedly delayed, as if nothing strange was happening."

- Joel Haspel

"Carin and I would like to thank you for your outstanding performance at our wedding on April 21st. We knew how good all of you were just by listening to the selections online and by word of mouth, but when we heard your talent in person the day of our wedding, we were amazed! The trio really did help make our wedding day something we will always remember - everyone thought that the music was just lovely. You helped make the wedding a magical day!"

- Carin & David Caruso
